DFMC's new Ward Representative Advisory Council

It is with great pleasure that I announce DFMC's new Ward Representative Advisory Council (WRAC).

The DFMC Board is excited to launch this new model of ward representation and believes it will add great value to the Board decision-making process and to the Co-operative as a whole. The new Council is a smaller group of representatives and this will allow for more consultation on issues and policy. Here are the new representatives:

Thomas Hamilton (FNQ) – Robert Kelso (FNQ) - Rowena Crouch (Qld) - Mark Hess (Qld)
Clint Stephens (Qld) - David Vonhoff (Qld) – Mark Wheildon (Qld) – Martin Wilson (Qld)
Clayton Alley (NSW) – Di Gee (NSW) – Trevor Middlebrook (NSW) – Carl Hammond (Vic)
Rodney Newton (Vic) – Kate Bartlett (SA)

We will keep you informed about the new Council's work and we encourage DFMC members to contact their state members to discuss any issues they may have.

DFMC members can find details of their local ward representative in the Contact section of the DFMC website.
