Dear Prospective Member,

### **EXPRESSION OF INTEREST TO SUPPLY**

Thank you for considering Dairy Farmers Milk Co-operative (DFMC) as your partner in quality raw milk supply. We know it's a big decision to make, choosing a dairy supply company that meets your needs, and we hope that the information contained within these pages helps you with that decision.

#### **Looking for a dairy supply company with a difference?**

As a dairy farmer, you're proud of the quality raw milk you produce. It's important to you to get a competitive price for your milk and to have the option to grow your supply. DFMC offers you guaranteed milk off-take for all your milk and the pricing flexibility you need, so that you can plan for your future.

#### **Farmer-owned, farmer-run**

DFMC is farmer-owned and farmer-run. Born out of the 100-year-old legacy of Dairy Farmers, we are a true farmer co-operative that works to maximise the value of the quality raw milk produced by our farmers.

#### **Returning competitive prices at the farmgate**

Our dedicated staff and our democratically-elected Board Members work hard to secure competitive milk pricing and commercial terms at the farmgate. As a member, you share in the dividends, and have a real seat at the table.

#### **Guaranteed milk off-take for all your milk**

We have an exclusive long-term agreement with one of the biggest dairy players in Australia – Lion Dairy & Drinks – and our raw milk goes into Lion's dairy products. This guarantees milk off-take for all your milk for the length of your contract.

#### **What we offer**

- Long-term, secure milk contracts
- Guaranteed milk off-take for all your milk for the term of the contract
- Premium paid on 3 and 5 year contracts
- Financial loans to farmers in drought and disaster-declared areas
- Support for farmers to grow their dairy businesses in each region
- Country show sponsorship and support
- Marketing and communication activities to support the co-operative
- Policies that reflect best farm practice and animal health and welfare

**“Our core purpose is to look after our farmers by providing value and security.”**  
**– Duncan McInnes, DFMC Chairman**

We’re looking for farmers in your area now. Join DFMC to take advantage of the bargaining power of a farmer-owned and farmer-run co-operative, and gain access to our guaranteed milk off-take and pricing flexibility.

For an obligation-free income estimate of your business, fill out the attached form and return it to **Tony Burnett** or **Dominic Baxter**, our Regional Managers, and start securing your future today.
